User Interface Design
JavaScript Programming
Responsive Web Design
React Development
Database Management
Node.js and REST API
TypeScript and Next.js

SKILLS

PROGRAMMING

HTML • CSS • JavaScript
React.js • Next.js • TypeScript
Node.js (Basics) • Express (Basics)
REST APIs • Git/GitHub
Tailwind CSS • MongoDB • SQL

SOFTWARE

VS Code • Postman
GitHub Desktop • Figma
npm / yarn

LANGUAGE

English • Hindi • Urdu

EXPERIENCE

CODESRACK SOFTWARE SOLUTIONS PVT. LTD | FRONT-END INTERN

Apr 2025 – Oct 2025

Srinagar, India

- Developed and optimized responsive UI layouts for websites, landing pages and business apps using React and Tailwind.
- Converted Figma concepts into reusable components, improving design consistency and reducing page rework.
- Improved Lighthouse performance and ensured cross-browser compatibility by refining CSS and optimizing assets.

Tech: HTML, CSS, JS, React, Tailwind, Git, REST, TypeScript

INSTRUONEX PVT. LTD | FULL-STACK INTERN

Aug 2024 – Mar 2025

Remote

- Built end-to-end features across UI and backend APIs using React, Next.js, Express and MongoDB in an agile workflow.
- Implemented CRUD operations, secure API integrations and modular components for scalable deployment.
- Contributed to deployment, debugging and database structuring to enhance reliability and feature rollout.

Tech: JS, React, Next.js, MongoDB, Express, Node.js, Tailwind, Git

PROJECTS

E-COMMERCE WEBSITE – FURNITURE STORE

A responsive storefront enabling product browsing and WhatsApp-based ordering via auto-formatted checkout messages, reducing friction and improving conversions.

Tech: HTML, CSS, JavaScript

Live Demo

WEATHER APP

Real-time weather dashboard pulling API data for instant temperature, conditions and location search with responsive UI.

Tech: HTML, CSS, JavaScript, API

Live Demo

PASSWORD GENERATOR (REACT)

Customizable password generator using React Hooks with strength toggles, clipboard support and live UI feedback.

Tech: React.js

Live Demo

NOTES APP (REACT)

Lightweight notes manager with CRUD actions, responsive design and smooth UI for productivity.

Tech: React.js

Live Demo
